DR. J. J. LAWRENCE—Dear Silt: I take pleasure in recommending your RosaDALIS as a very powerful alterative. I have used it in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of secondis of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have care ully examined the formula by which your Rosadills is made, and and it an excellent compound of alterative ingredients. Yours, truly,
